July 7, 2003

Dear Merchant:

We represent a growing group of Dundas residents, who wish to de-amalgamate from the city of Hamilton, and we need your help.

The Dundas Again Campaign Committee has officially launched the active components of protesting amalgamation. We have begun selling yellow ribbons in local merchants' stores, posted flyers, built a website, formed a committee, and begun production of various resale items such as t-shirts and buttons.

One of our larger projects is to promote our cause at the Dundas Cactus Festival August 15 to 17, 2003. We will be selling merchandise and offering our petition for signing on those days. To help pay for this, we would like to hold a penny sale or raffle. Our booth is booked, we now just need items for the raffle. Your support would be greatly appreciated.

If you are not able to donate items for the raffle, there are many other ways to support our campaign such as: displaying yellow ribbons for donation, displaying the petition, or a simple cash donation to assist in the cause.

We humbly request nothing more than whatever is in your means to give. We thank you for supporting the campaign.

Yours very truly,

David Longo
President, Dundas Again Campaign
Member of the Coalition for Local Democracy

Volunteer Support Form—Merchant

Merchant Name: _____

Address: _____

Telephone: _____ E-mail: _____
